

Going Green...

Water softeners waste water and require corrosive bags of salt to operate. They pollute our environment by discharging brines and require a lot of costly maintenance.

Water Softeners

Expensive to purchase	Less expensive to purchase
5-10 year lifespan	20-25 year lifespan
Requires maintenance	Never requires maintenance
Uses lots of floor space	Mounts on a wall
Requires delivery of salt or chemicals	Requires no salt or chemicals
Harmful for people on salt restricted diets	Safe for people on salt restricted diets
Intrusive to the water	Non-intrusive to the water
Increases water and sewer bills greatly	Does not require any additional water usage
Discharges chlorides into waste stream	Environmentally "green" product
Makes skin feel dry	Makes skin feel softer
Makes water feel slippery	Makes water feel "Silkier"
Soap suds difficult to remove	Soap suds wash away easily

Save \$\$\$ yearly on water heater efficiency as scale is removed and prolongs life of water heater & heating elements

Enjoy safer, better tasting water

Before

After

Removes scale formation in household pipes and keeps it out

SCALE BLASTER®

The Green alternative to water softeners

Model SB-150

Simply better... for the home, body and our environment.

- Experience "softer, silkier" feeling water on skin, hair and clothes
- Eliminate lime scale deposits on sinks, faucets and shower heads

- Prolongs life of all appliances that come in contact with water

- Specifically designed for hard water areas and tankless water heater users

SCALE BLASTER®

The Green alternative to water softeners

- Enjoy water that lathers and rinses off easier

How it works

ScaleBlaster® produces a scientifically developed signal charge from a coil wrapped around the pipe entering your home. This inaudible sonic wave hits the resonant frequency of the calcium molecules - changing their electrical and physical properties - so they no longer adhere to pipe walls or fixtures that come in contact with water.

- Absolutely no maintenance required
- Easy to install - no plumbing work required!
- Requires NO SALT, CHEMICALS or FILTERS to change

- Recommended for people on salt restricted diets

A cleaner lifestyle...

- Soap and detergent can be cut back 25% or more
- Brighter, whiter and longer lasting clothes, towels & sheets
- Reduces mold, mildew and corrosion due to hard water

- 100% Satisfaction guarantee
- Full 10-Year Warranty
- 20-25 year lifespan
